Gray Area Foundation for the Arts- Oakland Fire Relief Fund  
2665 Mission Street  
San Francisco, CA 94110

To Whom It May Concern:

Please find enclosed a contribution for the Gray Area Foundation for the Arts in the amount of \$ 300 from the East Bay Oakland Chapter of the Construction Specifications Institute.

We are a local non-profit organization, part of a national association, dedicated to improving knowledge and communication of design and construction professionals.

It is my wish that this contribution will be used to support the Fire Relief Fund for Victims of the Ghostship Oakland Fire, a crowdfunding campaign that Gray Area is organizing.

Sincerely,

Dan Galvez  
President, East Bay Oakland Chapter of the  
Construction Specifications Institute
