

# SF CSI Foundation

## Silent Auction 2018

Holiday Greetings!

The **SF CSI Foundation** will be holding our silent auction fund raiser at this year's **Tri-chapter** holiday party. Your donations to the Auction are always so very much appreciated. It contributes to the foundation's yearly efforts to provide scholarships to students in the construction professions. Earlier this year the Foundation was able to award 3 scholarships totaling \$12,000.

This year's event will be with San Francisco, East Bay/Oakland and Santa Clara Valley CSI Chapters, celebrating together on December 18 at Scott's Seafood at Jack London Square.

Please consider donating a festive item to the auction. Artwork, sculptures, gift baskets, jewelry, fabulous wines, gourmet foods, and tickets for local events, or a special item you may have on hand are all welcomed. This is a perfect time to pick up a holiday present for a co-worker, colleague, client, or party hostess. Don't forget to bring your credit card or checkbook! (We do have Square). And we will have our fantastic fascinators for sale too!

If you can help us, please send a short description of the item(s), the value(\$) and proposed starting bid to Linda Stansen by December 12 to help us make the auction a smooth success and so that bidding sheets and tax deduction receipts can be prepared ahead of the auction.

We really appreciate all the donations. Please email Linda with your donation details! Linda's email address is:

[stanspecs@comcast.net](mailto:stanspecs@comcast.net)

We look forward to seeing you there!
