

Holiday Greetings!

The **SF CSI Foundation** will be holding our silent auction fund raiser at this year's **Tri-chapter** holiday party. Your donations to the Auction are always so very much appreciated. It contributes to the foundation's yearly effort to provide scholarships to students in the construction professions. Earlier this year the Foundation was able to award 3 scholarships totaling \$10,000.

As last year, East Bay/Oakland, San Francisco, and Santa Clara Valley CSI Chapters will be celebrating together on December 17 at Scott's Seafood at Jack London Square. And we will be featuring our fabulous fascinators once again!

Please consider donating a festive item to the auction. Artwork, sculptures, gift baskets, jewelry, fabulous wines, gourmet foods, and tickets for local events are all welcomed. This is a perfect time to pick up a holiday present for a co-worker, colleague, client, or party hostess. Don't forget to bring your credit card or checkbook!

(We do have Square).

If you can help us, please send a short description of the item(s), the value(\$) and proposed starting bid to Linda Stansen by December 11 to help us make the auction a smooth success and so that bidding sheets and tax deduction receipts can be prepared ahead of the auction.

We really appreciate all the donations. Please email Linda with your donation details! Linda's email address is stanspecs@comcast.net

We look forward to seeing you there!
